Dr. Jagadeesh Menon
Dr. Sumana KR
Dr. Gaurav Sood
Dr. Punit Singla
Dr. Saurabh Singhal

Editor-in-Chief JCEH
Dr. Pankaj Puri

Dear Colleagues,

The current two-year term of the LTSI taskforces has come to an end. On behalf of the Executive Committee, we place on record our sincere appreciation for the work of the outgoing members, whose efforts have advanced the Society's academic, clinical, and outreach agenda over the past two years.

The Executive Committee now invites members and trainees to express their interest in serving on the taskforces for the forthcoming term. The taskforces are the working engine of the society, and we are keen to see participation from across the country, across disciplines, and importantly, from our younger colleagues in training.

For the forthcoming term the Executive Committee has also constituted two new taskforces—Liver Transplant Pathology and Artificial Intelligence in Liver Transplantation. Expressions of interest are therefore invited for the following taskforces:

- Clinical Research
- Basic Science and Technology
- Vanguard taskforce
- Liver Transplant Pathology
- Practice Guidelines Development
- Education & Fellowship
- Minimal Access Surgery in Transplantation
- Organ Donation & Allocation
- ILTR (Indian Liver Transplant Registry)
- Artificial Intelligence in Liver Transplantation
- Social Media, Communications, and Website

Kindly submit your interest using the online form at:
https://docs.google.com/forms/d/e/1FAIpQLSfKaDFXSuQ91PVaXox43hSC7a5Mkn1B19IRwOQZ8EoOHWVGPA/viewform

The form takes only a few minutes to complete.

The last date for submission is **24th September 2026**.

Final allocation will be made by the Executive Committee, considering the choices expressed, the balance of expertise required within each group, and equitable representation across centers and gender. Applicants will be informed of the outcome in due course.

We would encourage trainees to come forward and be part of the future of LTSI. We look forward to your active participation.

With warm regards,

On behalf of LTSI executive committee

Dr Abhideep Chaudhary
President
Liver Transplantation Society of India

Dr Charles Panackel
Hon. Secretary
Liver Transplantation Society of India
